

PRESERVING THE PAST - PROTECTING THE FUTURE

# Science Research Centre Pasifika - Chile

Toromiro - Endangered Endemic Species of Rapa Nui

A once-in-a-generation opportunity to establish the **first multidisciplinary research centre on Rapa Nui**, where local knowledge and global science come together.

Rapa Nui is one of the world's most culturally and environmentally significant places—yet it lacks a permanent, locally rooted research centre to protect and share its heritage.

---

A Living Centre for Research, Culture and Collaboration

**FOUNDER: DR. SONIA F. HAOA CARDINALI - PRESIDENT, MATA KI TE RANGI FOUNDATION, RAPA NUI, CHILE**

[www.fundacionmatakiterangi.cl](http://www.fundacionmatakiterangi.cl)

LED BY EXPERIENCE - GROUNDED IN COMMUNITY

# Our Vision

THE CENTRE WILL  
SERVE AS:

- A hub for cultural preservation and education
- A base for environmental and scientific research
- An inclusive space for community learning and global engagement

INITIAL FUNDING HAS  
BEEN SECURED FOR:

- Down payment for land and buildings
- Purchase of initial construction materials

*Design of the Scientific Research Center Pasifika - Chile*

---

*With deep roots in the community and a lifetime of work behind this vision, the centre is grounded in both expertise and authenticity.*

SUSTAINED BY PURPOSE - POWERED BY COMMUNITY

# Designed for Long-Term Impact

The centre is financially self-sustaining through research activity, education and visitor engagement

**Researcher Accommodation & Laboratory**  
Supporting collaboration and advancing research

**Museum & Exposition Space**  
Preserving and sharing knowledge

**Café & Community Hub**  
Generating revenue and social connection

**Outdoor Spaces and Learning Greenhouse**  
Rooted in traditional land

MADE POSSIBLE BY SUPPORT - DRIVEN BY LEGACY

# Help Build a Legacy for Rapa Nui

*We are seeking partners who recognize the importance of preserving  
cultural and environmental heritage at a global level*

TOTAL FUNDING REQUIRED  
**USD \$500,000**

Building materials - Construction services - Core infrastructure and  
facilities

**\$10,000+**

Supports building  
materials and  
structural elements

**\$25,000+**

Contributes to  
research and  
learning spaces

**\$50,000+**

Supports major  
construction  
phases

**\$100,000+**

Helps establish  
core facilities and  
services
